Acupuncture - A Life Changing Introduction

Jean-Louis Richiardone, MS, L.Ac

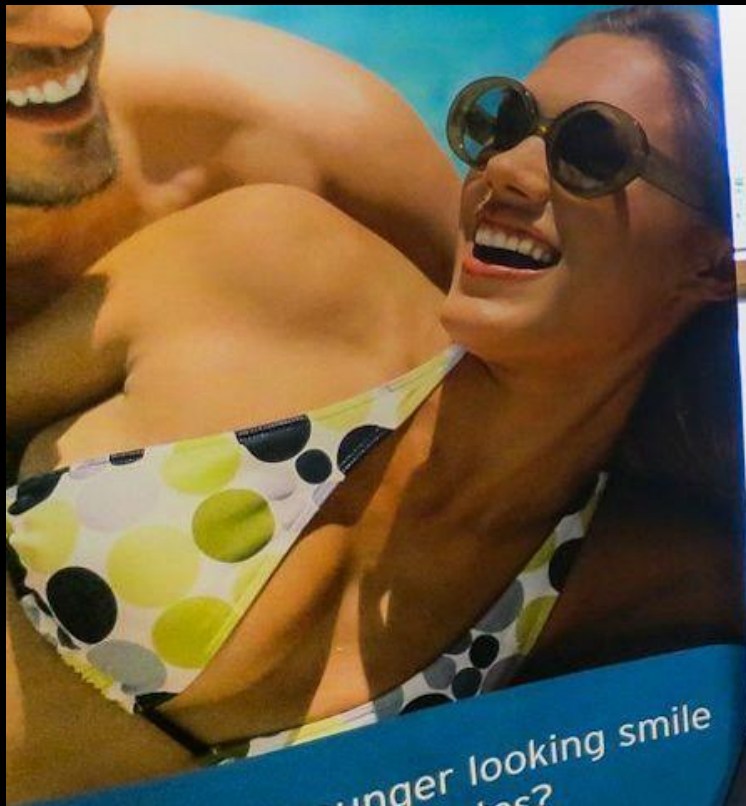

*California Board Certified Licensed Acupuncturist & Chinese Herbalist
American College of Traditional Chinese Medicine, San Francisco, CA
Four Year Masters Degree in TCM and Acupuncture*

Jean-Louis Richiardone has been in the field of Acupuncture and Oriental Medicine for six years, and brings extensive clinical experience from graduate and post-graduate internships at hospitals and medical clinics such as the California Pacific Medical Hospital (Division of Post Surgery Rehabilitation), the Haight Ashbury Medical Clinic, and the prestigious Chengdu Hospital of TCM, in Chengdu, China.

Mr. Richiardone uses his Acupuncture treatment skills and experience to treat all types of pain conditions, arthritis, sciatica, weight loss concerns and even sea sickness. Using several aspects of Traditional Chinese Medicine, including Acupuncture, Chinese Herb Formulas and Lifestyle recommendations, Mr. Richiardone is able to begin treating your health concerns today.

Free consultations are available to discuss how Acupuncture will benefit your specific health concerns.
